VISIT SAFEMCH

We take your safety very seriously – we commit ourselves to making your visit at FoodTech this autumn simple, safe and responsible from arrival to departure.

BEFORE YOUR VISIT:

- Order and print your entrance ticket online
- 10,000 parking places spread over several parking zones guarantees the right conditions on arrival and departure
- Practical information prior to your visit regarding parking zone and entrance
- No long queues, since all visitors get allocated entrances and exits

UNDER YOUR VISIT:

- Scanning of entrance tickets on arrival will ensure the right number of people in the hall
- Qualified personnel will be ready to help you throughout your visit
- Extra-large aisles and distance markers to help you keep a safe distance
- Sanitizer sprays will be available throughout your visit
- Regular reminders of good hygiene and precautions
- Food and drink can be enjoyed under the current guidelines – served by trained personnel
- Visit safe and secure the expo stands - TrygtMCH® agreements that make requirements of all our exhibitors on distance, numbers and hygiene

AFTER YOUR VISIT:

- Signs help you to your correct exit and parking zone
- Service guides help you find the correct exit
